

PRAYER

Goddess Isis

Mother of Horus

Sister-Wife of Osiris

Mother of Pharaoh

Hear my prayer

As your tears flood the Nile

For your husband Osiris

Mine flow for my lost child.

I call for him

But he will never answer me

For the slaves' god has taken him

As He took all of Egypt's first born sons

And my boy will never run to me again.

Watch over his journey to the Kingdom of the Dead

And punish their god who dared

To take him from me.

Punish the ungrateful slaves who

Called this scourge upon us.

May they never find the Promised Land they seek.

Oh, Mother Isis

Hear my prayer
