

Not Still Art

Let this adventure
be yours.
Design it. Embrace
it.

Ride forward.
Spin speed
Into stillness
set motion
to ease.

Rise up.
Float like a balloon
whirl like a windmill
glide like a heron
through
golden sun rays,
powder blue sky,
over
perky white daisies and
pink dahlias.

Generate
streams of
crepe paper
a swinging piñata and
scattered confetti in soft
pastels

all the panoply
of celebration

of dreams

of movement

of

joy.
